

Maryland Department of General Services
NOTICE OF JOB OPENINGS
SKILLED TRADES

OPEN/PROMOTIONAL/TRANSFER

The Maryland Department of General Services has immediate openings in Baltimore and Annapolis for the following positions. If you meet the requirements for any or all of these positions, you may apply to the DGS Personnel Division, using a standard Maryland State application form. **Current employees of State agencies are encouraged to apply.**

DGS Personnel Division
301 W. Preston Street, Room 1309
Baltimore MD 21201

The State of Maryland offers a comprehensive and generous benefit package, including **health, dental, vision, prescription drug, and life insurance; contributions to a pension account and a 401K match program for Supplemental Retirement Plans; vacation, sick, and personal leave days; and 11 paid holidays a year. Uniforms and equipment** are supplied for all skilled-trades positions.

Plumber Saratoga Office Center-Baltimore \$25,742 - \$40,192

This is work repairing, installing and maintaining plumbing and plumbing fixtures. Under direction of a maintenance superintendent, is responsible for performing all difficult plumbing tasks and for assuring the operation of domestic hot and cold water supply and the sewage systems. May supervise lower-level maintenance personnel.

Applicants must have two years of successful experience as a journey work level plumber which shall have included or been supplemented by at least one year of experience installing sanitary plumbing appliances. (Experience installing sanitary plumbing appliances **MUST** be specified.)

LICENSE: Possession of a Maryland Journey level Plumber certificate is required. Attach a photocopy of the license to your application.

Maintenance Mechanic Saratoga Office Center-Baltimore \$22,871 - \$35,493

This position performs intermediate level work in the building and grounds maintenance trades.

Applicants must have 3 years experience in any combination of the maintenance trades, of which 2 years must be primarily in the trades of electricity, plumbing, steam fitting, refrigeration, or air conditioning. (A degree from an accredited vocational/technical high school in Building Maintenance or a related trade may be substituted for the experience.)

Electrician**Annapolis****\$25,742 - \$40,192**

This is the full performance level of work in electrical maintenance. May supervise lower-level maintenance personnel.

Applicants must have 4 years of experience performing installation, maintenance and repair work involving all electrical circuits carrying less than 13,000 volts. A degree from an accredited vocational/technical high school with a major in electronics or a related field may be substituted for up to three years of required experience.

Maintenance Mechanic Senior Ellicott City**\$24,258 - \$37,760**

This position is located at the Multi-Service Center in Ellicott City, and performs advanced work in the building and grounds maintenance trades.

Applicants must have 4 years experience in any combination of the maintenance trades, of which 3 years must be in the trades of electricity, plumbing, steamfitting, refrigeration, or air conditioning. (A degree from an accredited vocational/technical high school in Building Maintenance or a related trade may be substituted for 3 years of the experience.)
